The Charles County chapter of the Maryland Writers' Association provides support to aspiring and established writers in all aspects of the craft, including basic writing, editing, beta readers and critiques, publishing and marketing. We also set up periodic book signing events, though these are largely on hold due to the pandemic. Our monthly meetings cover where we all are on our literary journey, guest speakers, upcoming events, and opportunities for submission. Our chapter meets virtually the third Wednesday of each month, with a critique group from 6PM to 7PM, followed by a business meeting, speakers and writing prompts from 7-8:30PM. E-mail Lewis McIntyre to be added to our mailing list to receive our Zoom meeting links.

Notable Author for March:
[Joni Eareckson Tada](#)

Maryland Writers' Association (MWA) invites you to have fun writing an inspirational piece like Joni does. Using up to 100 words write an inspirational "radio moment" encouraging people who are struggling to look to their faith to help them make it through. [Submit your Fun With Words response](#) by **March 25** and receive a MWA Fun With Words submission certificate. Selected responses will be published with next month's article.

About the Charles County Arts Alliance, Inc.

The mission of the Charles County Arts Alliance (CCAA) is to stimulate, promote, encourage, and provide recognition of the arts and the creative spirit. Founded in 1987, the CCAA promotes ALL the arts in Charles County: music, visual art, drama, dance and literature.

The CCAA is the official arts council of Charles County and is recognized as such by the Maryland State Arts Council (MSAC), an agency of the Department of Business and Economic Development (DBED) of

the State of Maryland. In this capacity, the CCAA serves as the "umbrella" organization for the arts community in Charles County. The CCAA promotes Charles County arts organizations and individuals, provides financial support to nonprofit organizations and the schools through its annual arts grant programs, sponsors the creation and presentation of new, diverse cultural activities and special events for the community, provides arts scholarships, and ensures the Charles County's under-served population, people with disabilities, residents with limited income, minorities, and senior citizens have access to the arts. The CCAA builds partnerships with local government, the business community and the educational community, in an effort to enhance the overall quality of life for the citizens of Charles County.
