Purpose:

Arts in Education (AIE) Grants are designed to promote, strengthen, and enhance the arts and arts education in Charles County's elementary and secondary schools.

- These grants can only be applied towards obtaining quality performances and/or hands-on intensive workshops in the schools by visiting performers, artists, authors, poets, master teachers and professionals in the areas of music, visual art, drama, dance, and literature for the educational enhancement of youth.
- **Only one (1) AIE Grant per school is permitted.** However, the grant can be awarded for a series of performances or workshops (e.g., the PTA, an art teacher and music teacher at one school can make a combined proposal for two or more performances/residencies).
- The total amount of AIE grant funding from the CCAA cannot exceed **\$800** for any school. Other AIE grant funding is available directly from the Maryland State Arts Council (www.msac.org)

Directions for E-Grant Application Filing:

1. All AIE Grant Applications must be received by the CCAA **no later than 12:00 PM on Monday, August 15, 2022.**
2. Complete the CCAA AIE Grant Application and save it to your computer (file name: "AIE Grant Application – My School Name").

Example: If the total projected program expenses equal \$1,600, you can request up to \$800 from the CCAA, and your “matching income” would need to be at least \$800.
