

Call for Artists – 2026 Solo Exhibitions

The Charles County Arts Alliance (CCAA) is excited to announce that we are now accepting applications for **Solo Artist Exhibitions** in 2026! Exhibitions will be hosted at the **Charles County Commissioners Building** and the **University of Maryland Charles Regional Medical Center**, both located in La Plata, Maryland.

Each year, the CCAA presents eight gallery rotations to showcase the incredible talent of our local artists. Upcoming exhibition periods are scheduled for:

- **January – March**
- **April – June**
- **July – September**
- **October – December**

We are seeking artists in all media for consideration. This is a wonderful opportunity to have your work displayed in highly visible public spaces that serve thousands of visitors, patients, and community members each year.

Guidelines & Requirements:

- There is **no submission fee**.
- Artists must be prepared to display a **minimum of 25 pieces**.
- Artwork must be **original, created by the submitting artist**, properly wired, and ready for hanging.
- Accepted media include oil, acrylic, watercolor, pastel, pen and ink, mixed media, and photography.
- Artists are responsible for creating **wall labels** for all works.
- Artists who have previously exhibited may submit new works or apply for a different gallery location.

How to Apply:

Please submit the following materials electronically to **Alexandria Gonzalez at galleriesccaa@gmail.com**:

1. Digital images of artwork (JPEG or PNG).
2. Artist information:
 - Name
 - Mailing address
 - Email address
 - Phone number
3. Artist biography (maximum half-page, MS Word format).
4. Artist headshot (JPEG).
5. For each artwork:
 - Title
 - Medium/materials used

- Size/dimensions
- Year created
- Price (if applicable)

Submission Deadline: December 5, 2025

For questions or more information, please contact the Charles County Arts Alliance at **301-392-5900** or email **galleriesccaa@gmail.com**.

Take advantage of this opportunity to share your creativity with the Charles County community – we can't wait to see your work!
